

Welcome to Ms. Carrione's 4th Grade Class!! I am so excited to begin a brand new year with you and your children. Fourth grade is an essential year for the students academically, creatively, and personally. I am looking forward to helping them achieve high academic goals, stretch their creativity, and learn who they are as unique individuals.

My goal this year is to increase academic performance as a whole in all subject areas, along with guiding students in becoming well-rounded people. I strongly believe that the importance of academics, behavior management, and fun are key factors in having a successful year as a whole class. I also believe in parent/teacher communication throughout the school year. Please feel free to write me a note or email whenever you have any questions or concerns. My email is dcarrione@moonachieschool.org. Looking forward to a great year ahead!!

Sincerely,
Ms. Carrione ☺
