

Create Your Own Myth

- Find the slideshow in google classroom called Myth. Write your story in the slideshow.
- Get creative: Include pictures, animations, music (if you want)
- The story must follow the criteria of a myth below
- There is no specific number of pages that you need to create, but think about the story "How Night Came from the Sea". You should have description, dialogue, events in a story, problem/solution, and components that will make a really interesting story.

What is a myth?

- A fictional story that usually comes from ancient Greece
- Myths explain parts of nature (ex: storms, earthquakes, droughts, stars, seasons changing, etc.)
- Myths also explain the origin or beginning of things in the world (ex: good vs. evil)
- The characters can be gods, goddesses, monsters and humans
- Myths teach a moral or lesson
